## Fall Programming Coming Soon

It's that time of year again! Parade of Programs is right around the corner, and with it comes our roll-out of school-year programming. We will continue to offer Bookwork Buddies at 10:30 on Tuesday mornings, but spaces are limited and fill up fast, so register quickly! This session is for 3-6 year olds and there is a fee of \$10 per 12-week session. Kid's Picks will be offered on Tuesday and Friday afternoons from 3:45-5:30 for 6-13 year olds, and you pick the day that works best for you! Both sessions will offer the same craft and activity. We are partnering with the Peace Region Family Resource Network again this year to offer Family Story Time on Thursday mornings. This program is aimed at 0-3 year olds, but is open to the whole family!

## Regular Hours Resumed

During the summer months we had reduced our open hours in an effort to save some money on our budget. We had noticed that our patron visits were reduced on Fridays and Saturdays over the summer as many families are away on holidays, so we chose those two days to close on. We haven't received any negative feedback about this decision, so it will likely become an annual thing. Now that school is back in session, we have resumed our regular operational hours of Monday-Friday 10-6, and Saturdays 11-4. We will continue to close on all Sundays and statutory holidays.

## Adult Art Night

We are going to be continuing our Adult Art Nights, but due to low attendance last spring, we are asking for community feedback in regards to what you would like us to offer. We will have surveys available at the Parade of Programs on September 13th, as well as in the library—which can be completed anytime.
