## Welcome!

Welcome to our first official newsletter! It has been quite a wild ride the last two years navigating through the uncertainty of Covid-19, especially with the shut-downs and various restrictions that we had to endure. But as of March 1st, we will be restriction-free and can't wait to get some semblance of normalcy back in our beautiful building.

As we begin planning for events and programs again, we would love to hear about ideas and requests from our community, after all you are what we do it for! And we want everyone to be happy and entertained!

Keep an eye on our website as well as our Facebook page for more information moving forward.

## Kid's Programs

Bookworm Buddies and Kid's Picks will be starting on March 1st. Spaces are limited, so please register as soon as you can. Tracey Gerck will also be coming from the Family Resource Network on Thursdays.

Bookworm Buddies is for kids aged 3-6 and focuses on dexterity, socialization, creativity, and literacy. We provide snacks, crafts/activities, stories, and more! Cost is \$10/child for each 12-week session.

Kid's Picks is our after-school program for 6-12 year-olds. We offer crafts, games, and snacks. Registration is free.

## Adult Art Night

Adult Art Night is coming back and we couldn't

be more excited! It's been a long 2 years since we last planned a fun night just for us grown-ups. We are going to start off by offering the crafts that we had to cancel in 2020, so the first one will be Easter/Spring Wreaths. Admission is \$20/person, and you must be 16+ to participate. Registration is required as spaces are limited.

Call or email the library for more information! See you there!
