Adult Art Night

Our first Adult Art Night post-Covid was a smashing success! Thank you to everyone who came out on Monday night to craft with us. We made Easter/Spring door wreaths, and everyone made a beautiful work of art that they can now display on their doors/walls. It was so great to be able to sit and have a good chat with all of you while we created such beauty. We are very excited to be able to continue offering these art nights. Next month will be Hand-made Greeting Cards!

Call 780-836-3054 or email librarian@manninglibrary.ab.ca to register! \$20/person, ages 16+, April 25th 6-8 pm

Kid's Programs

Our kid's programs have been running for the month

of March, and we are very happy to see all the little smiling faces again! Kid's Picks has been running on Tuesdays and Thursdays after school, and Bookworm Buddies has been running Tuesday mornings. Currently, Bookworm Buddies is fully registered, but we do still have room in our Kid's Picks programs for 6-12 year olds. Call 780-836-3054 to register your child today!

"New" face at the library

Some of you may have noticed this month that we have a new "employee" at the library. Bobbi Lewandowski, the librarian from the high school, is doing her practicum with us so that she can learn in a different library setting, and she has been a wonderful help! She is here learning about our kids programs so that she can gain experience for the new K-12 school that will be built in the future. Everyone here has absolutely loved having her, and we hope you do too! Please feel free to welcome her to our library when you see her!
